
APPENDIX F
Budget and Sustainability

July 19, 2011

Bruce H. Hawkins
Superintendent
Educational Service District 123
3918 West Court St.
Pasco, WA 99301

Dear Bruce:

This letter represents the agreement for indirect cost rates for fiscal years 2011-2012 and 2012-2013.

As the cognizant agency for ESDs under Circular A-87, Attachment E, Section D (1)(b), the Office of Superintendent of Public Instruction (OSPI) is authorizing the following agreement with the nine ESDs:

- For the period of September 1, 2011 to August 31, 2013, a predetermined restricted rate of nine percent (9%) is allowed to be charged against federal grants from the U.S. Department of Education. A rate of eleven percent (11%) is allowed to be charged against state grants which pass through OSPI or any other state agency. **ESDs are allowed to charge their individually calculated rate (based on the submitted methodology) for all unrestricted federal grants.** These rates are to be charged consistently by all ESDs unless otherwise limited by other federal or state provisions.

All cooperative arrangements between ESDs; ESDs and school districts; or ESDs and other entities are not subject to these requirements. Administrative charges that are part of cooperative agreements, fee for service programs, and other contracts may be determined by the ESDs and their customers under the terms of these agreements.

Indirect costs exclude all space and occupancy which have been charged to programs directly. Space and occupancy costs are allowed to be charged directly to programs per the 90 day letter that the ESDs submitted to the U.S. Department of Education in 2006.

Additionally, each ESD is required to submit by February 1st of each year, an indirect cost plan calculating the subsequent year's rate. The use of these calculated rates is contingent upon the approval from the U.S. Department of Education, Office of the Chief Financial Officer, as noted above.

If you have any questions or need additional information, please contact JoLynn Berge, Director of School Apportionment and Financial Services, at 360.725.6301.

Sincerely,

Shawn Lewis
Chief Financial Officer
