

RFQ 5800-13
Road Map Region Best Starts for Kids
Concept Development, Support and Grant-Writing

Questions & Answers #3

The following Questions/Clarifications were received for RFQ 5800-13:

Q1: Item 6.A.9. On page 5, asks for a budget. Is it anticipated that a full budget breakdown, including level of effort by staff person, etc. would be provided, or simply a not to exceed amount in the table provided?

A: Please provide a not-to-exceed amount in the table provided on page 5 of the RFQ.

Q2: RFQ Section 1.B specifies the source of funding for this procurement is 100% Race to the Top-District federal funds pursuant to CFDA #84.416. Is this RFQ supported by King County's Best Starts for Kids program?

A: No. This RFQ is only supported by Road Map Region Race to the Top District dollars and is not supported by Best Starts for Kids.

Q3: Are there any fundamental elements to consider when developing concepts?

A: Concepts will be in support of racial equity and closing opportunity gaps.

Q4: RFQ Section 4.A.v states "grant-writing expertise" and RFQ Section 4.A.vii states "write proposals in response to BSK RFPs". Please clarify if the scope of services include grant-writing expertise or proposal-writing expertise or both.

A: This RFQ seeks a consultant to support the writing of proposals in response to King County's RFPs.
